## Fall 2010

Hello to all Landowners!

A lot has been happening this year as we enjoy our time in Panorama Woods. Everyone has been busy working on their properties to make PWL the nicest place in Sanpete County. We hope you have been able to relax and enjoy your properties as well. Summer has gone by too fast. It is hard to believe it is time for our fall meeting in a few weeks.

At our spring meeting which was held on May 29<sup>th</sup>, we had a chance to catch up with old friends, meet new ones and eat some good food. Some even won raffle prizes that were furnished by the Landowners (the raffle is held at the spring meetings). Our guest speaker was Shilo Neal with the Sanpete County Department of Wildlife and Urban Interface. He spoke of ways to prevent fires by cleaning up areas around our cabins, the suggested clearances needed, water tank requirements for new construction, etc. He also introduced the opportunity for PWL to take advantage of the grants being offered by the government through the logging of hours worked on our properties (including equipment rentals, tools, etc.). Mark Wendel has been in communication with the County regarding moving forward with this plan. We have had a few landowners also offer to participate in working on this committee to benefit us all. If you are interested in joining this group please contact Mark Wendel. We will have more info on this at the fall meeting and hopefully we will have the forms to distribute on which you can report your time and money invested in clearing your land. This will be retroactive so keep track of what you are doing now.

**The fall meeting will be held Saturday, September 4, 2010 at Craig and Julie Thompson's.** We will start at 9:30 AM. Signs will be posted. This will be an election meeting. Craig Thompson will take over the role of President at this meeting. Elections will be held for 2<sup>nd</sup> Vice President and Secretary. Please bring your favorite breakfast dish for our Pot Luck!!
